

ApiHerb-Candy

1 kg
packs

ApiHerb-Candy is the sugar bee fondant born from the union of ApiHerb, a blend of officinal herbs and B group vitamins, with ApiCandy, 100% beet sugar bee fondant.

APIHERB IN SUGAR BEE FONDANT

ALVEIS
BETWEEN BEES & HONE

Before ApiHerb-Candy, you could only administer ApiHerb by dripping in spring-summer, thanks to ApiHerb-Candy your bees can enjoy the benefits of ApiHerb even in autumn-winter.

ADVANTAGES OF APIHERB-CANDY

- Possibility of feeding with **ApiHerb** in **autumn-winter**;
- **Ready to use**, it does not need to be prepared;
- Supplements the colony's supplies;
- The **quality** of each batch is strictly **controlled**;
- High **palatability**;
- Constant **softness** over time;
- **100%** candied sugar derived **from beet**;
- **GMO-free** ingredients.

WHEN TO USE IT

- Ideal in **autumn-winter**.
- Do not feed bees with it with supers on.
